FEDERAL COMMUNICATIONS COMMISSION

47 CFR Part 73

[DA 11-1689]

Radio Broadcasting Services; Various Locations

AGENCY: Federal Communications Commission.

ACTION: Final rule.

SUMMARY: The Audio Division, on its own motion, updates the FM Table of Allotments to reinstate certain vacant FM allotments. Formerly, the FM Table listed all vacant FM allotments as well as FM channels and communities occupied by authorized facilities. In 2006, the Commission removed the allotments of authorized and awarded FM facilities from the FM Table in order to accommodate the new application procedures for radio stations to change their communities of license. However, when an authorization is cancelled, the vacant allotment must be reinstated in the FM Table to preserve the opportunity to license a future station in the specified community. Accordingly, we are adding to the FM Table of Allotments thirty allotments in various communities that are considered vacant FM allotments.
